Career Objective

To succeed in an environment of growth and excellence and earn a job which provides me job satisfaction and self-development and help me achieve personal as well as organizational goals.

About Me: Currently pursuing a Bachelor's degree focused in Information Technology from CMR Engineering College, Hyderabad, India.

Skills

- HTML
- CSS
- React.js
- Next.js
- JavaScript
- MySQL
- Java

Education

Bachelor's in Technology :
CMR Engineering College : 2020-2024

Languages

English
Hindi

Projects

- To-Do List using React.js
Created a basic To-Do list application where users can add, remove, and mark tasks as completed. And can use React's state management to handle the list of tasks accordingly.
- Task Management App using Next.js
Built a task management application where users can create, update, and delete tasks. Used Next.js for server-side rendering and implement features like task filtering, task prioritization, and task assignment to different users.
- Snake Game using JavaScript

EXTRA CURRICULAR ACTIVITIES

Secured first position in debate and essay writing
Participated in creative writing and several group discussions.

WORKSHOPS

Attended R&D showcase in IIIT-H, 2023
